Dear Ms Hanlen,

Thank you for your letter dated 15 January 2007 outlining the terms and conditions of our appointment as external assessor in the case of Father John G Nestor.

On behalf of Kamira Stacey Consulting I agree to the terms set out in your letter and to provide the Diocese with a written report of the findings and recommendations at the conclusion of the investigation.

Both myself and Kylie Starling have previously returned signed confidentiality agreements to you.

Regards,

Harriet Stacey
