 Senior Investigating Officer  
 NSW Ombudsman's Office  
 Level 24, 580 George St

Dear Dylan

**Re: Interim Report – Fr John Nestor**

I enclose a copy of an *Interim Report* of the investigation being undertaken in relation to allegations made against Fr John Nestor. The *Report* has been compiled by Ms Harriet Stacey of Kamira Stacey Consulting.

You will notice in the *Report* that the police records requested by the Diocese have not yet been received, however, we have been assured that they will be made available within the coming days (2.2.7).

A copy of the transcript of the interview with **ABI** referred to by his mother, **ABJ**, is held by the Diocese and will be made available to the investigator (2.6).

The letter referred to by **ABM** in relation to her son, **ABL**, was allegedly given to the Diocese. Efforts will be made to locate this and make it available to the investigator (2.7).

The investigator anticipates that, pending the police records becoming available, the allegations will be prepared and ready for submitting to Fr Nestor by the beginning of June 2007. Providing there are no unforeseen delays, a final report may be expected by the end of June 2007. If you have any questions, please do not hesitate to contact me.

Yours sincerely

Moya Hanlen OLSH
