Dear Bishop Ingham,

I would like to suggest that we meet.

Firstly, I would like to introduce myself. I am sure you have received various impressions of my conveyed through various people and no doubt you wish to form your own impression.

Apart from this, I have no definite agenda. No doubt you would like to hear of the pastoral and apostolic work I have been carrying out in the last five years.

I would also be interested to hear of any plans you have for my short- or long-term future, and to share my own ideas in this regard.

Wishing you the inspiration of the Holy Spirit,

Fr John Nestor
