Reverend Father Comensoli,
Chancellor,

On May 3, 2004 I exhibited the Index for the Summarium and now I am waiting for a copy of this Summarium. It was very difficult to make the Index, because also the advocate from Rev. Nestor and the Promotor of Justice must approve it.

When I will have a copy in a few days I'll write the Memoriale, but the Signatura is very slow in printing the Acts.

It seems that also in June a "Plenaria" will not take place. We will see.

For today I remain
Sincerely yours in Christ

Martha Wegan

13/5/04.

I've sent Martha a brief ack.
