REDACTED

Dear John

Recently I received a letter from Archbishop James Keleher of Kansas City seeking information about your status. As in the past, I have written to him simply attempting to outline the present status and to give him a sense of the history of your situation in relation to the diocese.

In my response to him I have also attempted to take into consideration some of the issues you raised in your correspondence with me. Most particularly I have not sent him a copy of Archbishop Wilson's decree and I have also informed him of our different viewpoints on the status of the Apostolic Signature's decree of suspension.

Enclosed for your information is a copy of the letter I recently received from Cardinal Pompedda. It speaks for itself as to the status of the case before the Apostolic Signatura.

Yours fraternally

Most Rev Peter Ingham DD
 BISHOP OF WOLLONGONG
