Dear Bishop Wilson,

Greetings from the Diocese of Eldoret, Kenya.

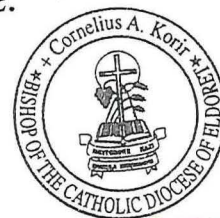

I have received an application from America, from a priest of your diocese who is living there and wishes to work in this Diocese of Eldoret. His name is Fr. John Gerald Nestor.

He has given me a kind of curriculum vitae, his account of events in Wollongong and Rome and America.

I have not rejected his application. I would be willing to consider it but not without your approval and advice.

I will be grateful if you can furnish me with a confidential report on Fr. Nestor and your advice at your convenience.

Yours fraternally in Christ
