REDACTED

Dear Fr Nestor

Thank you for your letters of 8 and 28 October 1999. As you may know, I have been on annual leave and therefore unable to reply until this time.

I look forward to the opportunity of meeting with you to discuss your situation in good faith, as I have previously indicated. However, I am naturally unable to agree to your request for rescission of my two Decrees prior to any meeting as this issue would be the very subject of our discussion, as would be the necessity of some form of assessment before I could consider giving you a pastoral appointment.

Please advise whether you are prepared to enter into dialogue with me in relation to your situation and, if so, a suitable appointment can then be arranged.

With every best wish

Yours sincerely
