Rev J G Nestor

REDACTED

Dear Fr Nestor

I have thought about your last letter for some time and now wish to return to this subject of the proposed mediation.

Having reported your response to Mr John McDonald and Dr David Moore, who are two of the principals of Transformative Justice Australia (TJA), they have put another proposition to me. John and David are willing to meet with you privately and informally to discuss the process further with you and to answer any questions or concerns that you might have about their work. You can be assured that I have had no discussions with them to date as to the nature of the matter concerning us both, and I would have no discussions with them prior to any such meeting with you. I would ask you to meet with them and to ascertain for yourself whether you feel TJA can aid us to find a way forward.

They can be contacted directly on REDACTED or REDACTE .

Yours sincerely

+ Philip Wilson .
