REDACTED

Dear Fr Nestor

Since I last wrote to you the assessment process, conducted under the auspices of *Towards Healing*, has ended. The results are now being considered by the NSW Professional Standards Resource Group. Once I receive their advice, I shall need some time to consult and to consider their advice.

I am sure the delay is a source of frustration for you. However, the careful consideration of these matters will take some time. My intention is to resolve this as soon as possible.

Yours sincerely

+Philip Wilson.

BISHOP OF WOLLONGONG
