Dear Bishop Wilson

I write to correct an error in the assessment report provided to you in respect of Fr John Nestor.

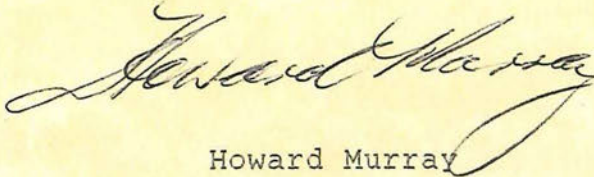

A [ABG] was identified as a person with a complaint against Fr Nestor, and she was interviewed by Elizabeth Hannan following contact with Centacare. Subsequently [ABG] agreed to a statement being prepared by me setting out her concerns and its' being forwarded to her for signature. When that occurred, she declined to sign the statement and indicated she wanted nothing further to do with the assessment process. The nature of [ABG] concerns about Fr Nestor is set out at page three of the report.

[ABG] is again referred to in the "Discussion" portion of the report when, on page nine, I refer to her having "raised concerns with Fr Nestor over allegations of nude swimming." That statement is incorrect. In fact, as reported on page three, [ABG] spoke to Fr Nestor in 1990 over alleged misconduct on a camp that year and it was only some three years later when her son raised the issue of the nude swimming. [ABG] did not discuss that issue with Fr Nestor.

I apologise for this error and trust it has not made your dealing with Fr Nestor over these matters any more difficult.

Should you wish any further information, please contact me on (02) REDACTED at the office or on (02) REDACTED at home.

Yours sincerely
