Dear Philip, Thank you for the time we were able to share at our last meeting, I appreciated the opportunity you afforded me.

As a matter of conscience I am intending to invite John Kester to concelebrate Mass on Holy Thursday with me here at Ruse. As he is unable to celebrate Mass privately on that day, I feel this is the compassionate response that I am called to make.

In view of our chat, I felt that it would be appropriate to let you know of my intention. I will see you at the Chrism Mass.

Yours sincerely in Jesus Christ,  
Patrick.
