Dear Bill

I have received the enclosed letter from Fr John Nestor and would be grateful for your thoughts, as there seem to be various threats, implied and denied.

The indication I have from our Advocate in Rome is that we have a fair chance with the appeal. It has been admitted for hearing by the Apostolic Signature but we may not know the outcome until the end of June. It is the civil actions that worry me in relation to John's letter.

I shall be at the ACBC meeting these next two weeks, should you wish to contact me.

Yours sincerely
