Dear Martha,

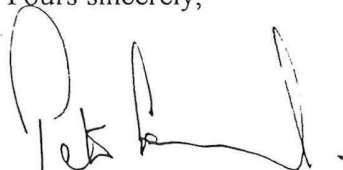

As I mentioned in my email to you of 19 September, please find attached documentation from the Australian catholic Bishops' Conference dealing with the status of 'Towards Healing'.

As you will notice, the documentation includes minutes from plenary sessions of the Conference, media releases and a pastoral letter to the Catholic people of Australia.

As I indicated in the email, 'Towards Healing' has not been promulgated as a particular law nor has it received *recognitio* from the Holy See. However, it is the agreed procedure for dealing with cases of sexual abuse by Church personnel throughout the Catholic Church in Australia.

I hope this further assists you in preparing our case.

Yours sincerely,

Fr Peter A Comensoli
Chancellor
