Morning Joe,

I think you are on our way to Canberra. In all my organising I did not double check to make sure you or Patrick or ?? could be there March 30. It is OK for everyone else including DK [redacted]. I have tentatively booked room in Qantas Club Brisbane. I will try to ring you in Canberra. Have a good week.

Alexis

Good morning DK [redacted],

I think it is fine for Michael to book a flight.

If you still feel OK to meet Brs Gerald and Andrew and follow up with the mediation the same day we probably would need to start around 9- 9.30 and go through most of the day.

If DL [redacted] needs to stay overnight we would cover a hotel for him.

At the moment I am thinking of a conference room in the Qantas Club Brisbane domestic airport. This convenient for people travelling by air and refreshments are available. How would this suit you coming from Rathdowney?

Regards

Alexis
