Dear Stephen,

Greetings from Sydney! I trust all goes well with you as the end of the school year comes more sharply into focus.

The DG [REDACTED]/Br Ray Foster (Celestine) has surfaced again. The plaintiff is now seeking damages as is his right. The insurance people (CCI) require that we supply them with data. I am able to forward to them the arrival and departure years for Br Ray Foster.

Would you please have your people check records to give the enrolment dates/years for DG [REDACTED] We are talking about the period around 1968/1973, or perhaps a year or so after that.

Would you please forward me the above data when it comes to hand. Many thanks in anticipation for that. My e-mail address is

provincial@fms-sydney.org.au

I hope that we can proceed with this matter discreetly and appropriately. However I cannot guarantee that because one of the plaintiff's initial demands is for a "public" apology to be circulated in the REDACTED area. Such a demand is not unusual at the beginning of these proceedings. However I will instruct our solicitors to negotiate as best they can to keep it all out of the public eye.

Regards,
