Dear Karen,

I can confirm that the arrival and departure years for Br Raymond Foster (a.k.a Br Celestine) at REDACTED College, REDACTED, Queensland, are 1968-1973 inclusive.

I have contacted the College to ask them to search their records for the enrolment data on REDACTED DG REDACTED. I hope that they will forward me that data soon and I will then pass it on to you.

Your request for the "precise date(s) on which the alleged abuse occurred" would be impossible for me to state. I doubt that the plaintiff would have "precise dates" either. I am however satisfied that several instances of abuse occurred in the manner described by the plaintiff in his statement to police of 1994.

Thank you for your continued assistance in this matter.

Yours sincerely,

Michael Hill FMS
