Jeff,

A good day at Mittagong. Great to see you relaxing a little with the 'grand children'. I'm refining my urgent list for KC! I could not remember whether you were going to contact GW re picking up KC or myself? GW clarify periodic detention? I think Corinne has contacted John Ireland to expedite ACAT.

(Anticipate heavy day Monday with R and REDACTED matter.)

A few cryptic points:

- Cathedral best temp accommodation? I confirm with chancellor?
- KC not so keen on sister with him but would accept. Cook and carer

if in apt. She doesn't drive. Would he have a car?

- SC Homes seems good if media not issue. No need for companion? Depends on nature of space available.
- Rent apartment? Should I start chasing or do we have someone in real estate there?
- Use Marist Cty PO Box as mailing address?
