Lisa I am enclosing a draft letter that Br Hill may adopt to respond to the letter of complaint which I have sent back to you. Please advise if it presents any difficulty. The alleged offender appear to have been notified during the Special Issues era under code MBs AB 24. Br Hill suspects that some form of legal dialogue would be the best way to handle the matter and that the Towards Healing system is unlikely to produce a resolution.

We await any comments and advice re indemnity.
