

Mr DG

Dear Sir

I refer to your letter of 29 January 2000 which I only recently received.

I was saddened to read of your experiences and the problems that have resulted therefrom.

The Towards Healing Resource Group in Brisbane do provide a mediation facility which we could look at.

Alternatively, you may have a solicitor acting for you.

Perhaps you could contact me to discuss how we best go forward to look at some form of resolution of these painful issues from the past.

Kind regards

.....
Brother Michael Hill
