Dear Joe,

Hope study going well. Keeping you up to the mark with DK We must talk some time about his experiences with the REDACTED

I am trying to keep things moving where the opportunity is there. Not sure that a psych assess is needed but tentatively booked DK with Harvey Whiteford in Brisbane on March 17 subject o your thoughts. Earliest I could get.

Talk when you are back in the saddle. Warm regards
Alexis

Thanks for your note DK. I don't see any problem with your barrister friend attending. May mean we have a legal person there as well in case it gets into serious legal speak. We would cover his fare and fees for the day.

I am wondering if we could look at a day for the meeting. An early meet with Brothers Gerald, Andrew and mediator Michael Salmon. Then a break and proceed to mediation. Let me know if you feel too pressured with both on the one day.

Tentative days might be 16 or 17 March. Not final.

A little easier would be 23 March or 30 March. Tuesdays.

Details as to time and place can be worked out later. All the best.

Hi Alexis,

I have asked DL to come with me and my wife REDAC

DL is a Brrister in Cairns and also an ex REDACTED

He understands my position and what I am trying to achieve through this process rather than going down a litigation path.

I would like you to cover his costs as set out below. Also he would have to come from Cairns so I think that it would be best if we could do the whole process over a Tuesday and a Wednesday
