CHILD ABUSE

The Council considered a draft statement on Child Abuse. With some modifications and developments it will be distributed to the Brothers of the communities. It will come from Brother Alman and is for the Brothers not school staffs. A copy will go to each Brother. The Province Solicitors will also be consulted so that their support and advice will be available in this matter. At present in New South Wales, the Principal of a school has to report sexual abuse to the Youth and Community Services.

Marist College, Pearce

The architects' estimate of price for the classroom is \$640,000. Tenders have been invited which range from \$500,000 (later discovered to be a mistake) to \$730,000. The architects have recommended acceptance of the tender for \$620,000 and since all permissions are in place, the building can proceed.
