Dear Brother Michael,

Re : **BROTHER DOMINIC O'SULLIVAN**

We refer to the above matter. We note that last month we received instructions from Brother Dominic concerning matters in respect of which the Police wanted to interview him.

We obtained full instructions from Brother Dominic, contacted and discussed the matter with the Police and with the Catholic Education Office. We then arranged for Brother Dominic to make himself available to the Police for an interview which took place at the Goodna Police Station on Friday 19th July, 1996. We have a full tape of the record of interview which was video taped.

The Police who conducted the interview indicated to us that they would make a recommendation to their superior officers that no charges be made against Brother Dominic.

It may be a couple more weeks before any decision is known, however, as we anticipate that there will be nothing further required of us we take this opportunity of enclosing our memorandum of fees for your kind attention. Also enclosed is our formal Letter of Engagement which is part of our Quality Assurance System. We would be happy to answer any queries you have about this matter.

Yours faithfully,
MULLINS & MULLINS
