Dear Pat,

Greetings from Down South. I hope everything is going well and youve recovered from the trip in the North looking after Jack Nestor. He's in good form at the moment, even though tough times are to come. We're working hard on a number of areas.

Please find enclosed enrolment form for the Crossroads programme at Baulkham Hills. It's the one that we spoke about and there are three monks from New Zealand presently doing it, who give it very, very high marks. Would you please complete the little application form and forward it off, and you might send a photocopy to Mick Hill who co-ordinates the ongoing formation for us in the Province. If you have any questions, please let me know.

Warmest regards,

Fraternally,

Br. Alexis Turton,
Provincial.
