REDACTED Phone call from CNJ REDACTED  
REDACTED, taking up offer of counselling at the expense of F.M.S.  
This had been suggested by Mal Davidson.

CNJ requested REDACTED of REDACTED  
as therapist. Phone number for CNJ REDACTED  
Phone number for REDACTED REDACTED. CNJ was very  
happy with the counselling of Mal but since the suggestion from Mal  
was to move on to someone more expert in the area he was looking  
for.

It was agreed that CNJ would see REDACTED for a  
preliminary interview and try to get some sense of how many  
sessions they would need to address his issues. CNJ would then  
contact Provincial and inform him of cost per session and proposed  
number of sessions. It was mentioned to him that the normal  
number of sessions would be ten, but that would be negotiable.

REDACTED

Alexis.
