Dear Br Alexis

AAB rang at 4pm. He would like you to contact him.

He was at Marcellin College Randwick in the late 1950s and early 1960s and was abused by Br Kostka when he was in 3rd 4th and 5th class. (JC was at Randwick from 1/1/59 to 31/12/60) He was looking on the internet and found JC had been arrested in 2008 and wanted to let you know that there was a lot of abuse before that time to a number of boys at his school. At the time of his own abuse he went to the headmaster Br Anselm (Headmaster 1957-60) in the 1950s. He felt as though he was not believed by his mother or the school. His mother's brother was a priest and he felt that this also may have been why they did not take it any further.

His contact details are mob [REDACTED] and email [REDACTED].

His wife's name is [REDACTED] but he would prefer it if she was not involved and so did not give the home no. It is possible that AAB would just like to pass on some information.

Regards  
Debbie Turton
