Dear Sirs,

Re : **BROTHER PATRICK BUTLER (MARIST)**

We refer to the above matter.

We advise that we attended with Brother Patrick at Police Headquarters Brisbane on 7 April 1999 when he gave a Record of Interview to New South Wales Police, in particular, Detective Senior Constable Mark Dickson of Newcastle CIB.

We have a tape recording of the Record of Interview. If you would like us to furnish you with that, please let us know.

After having given Brother Patrick advice and given that he denies any wrong doing whatever, he answered all questions put to him by the Investigating Police Officers and he made appropriate denials in relation to the allegations put to him.

The Investigating Police Officers have indicated to us that they will let us know if and when they decide to proceed with any charges.

Yours faithfully,
MULLINS & MULLINS
