BROTHER ALEXIS
 NPAIST BROTHERS PROVINCIAL HOUSE

REDACTED

Dear Br. Alexis,

As you may or may not be mindful, I am presently undergoing counselling for abusive activities performed against me while a student at the Hamilton school. (1975)

I have progressed a long way since the intervention process has been initiated + am beginning to contact a more in-depth + honest identity for myself.

As a continuance from my past + present healing measures, I have come to consider it necessary to contact Br. Patrick in-person.

My earlier attempt being quashed by the Provincial House renovations, I would seek your assistance in determining when I may be able to arrange to meet Br. Patrick. Thank you.

Regards.

Yours sincerely
