Hi Kathleen,

I hope all is well.

I have been working with a family by the surname of Nash over a number of issues relating to diocesan issues.

Mrs Nash had a son, Andrew Nash die on 8.10.74 of a suspected suicide. At the time of Andrew's death he was a year 8 student at Marist Brothers Hamilton. The family believe Andrew committed suicide as a result of being abused possibly by Brother Romuald who was a teacher at the time of his death. Romuald attended the family home on the evening of Andrew's death and asked the family if Andrew left a suicide note.

The purpose of my email is to see if any records exist from the period 1972 to 1975 of meetings between Marist Brothers Hamilton leaders and Diocesan leaders where sexual abuse was discussed or whether Andrew Nash's death was discussed.

Your assistance would be appreciated. Thanks

DAVID MUXLOW
