

25th September, 1978.

The Director of Catholic Education,  
Catholic Education Office,  
P.O. Box 1314,  
TOWNSVILLE. QLD. 4810

Dear Mr. Neiss,

Brother Romaald Cable, who is currently teaching at our Ashgrove College, Brisbane, has asked me to endorse his application for appointment as lay principal of the new Catholic Co-Educational School to be opened in Townsville.

I shall not detail Brother Cable's academic record and school experience as this will be adequately covered in his own submission.

Brother Cable during his 25 years of service in Catholic Schools has been an efficient and dedicated teacher and has displayed in various capacities the administrative skills which would serve him well as Principal of a school. He has not always been sensitive to the importance of good human relationships in the task of administration, but has grown appreciably in this area in recent times. The recent experience in our Institute of Spirituality, Fribourg, Switzerland, has done much to promote development in this area.

With every best wish,

Yours sincerely,

Brother Kieran Geaney.  
Provincial.
