

19th September, 1977.

Dear Rom,

In answer to your phone call of a couple of weeks ago with regard to whether or not you would be doing the first session at Fribourg next year, I gave the answer that it looked as though you would be on the second session. Since then we have had further meetings on the appointments for 1978 and it looks more certain now that you would be asked to go in the first half of the year. I shall be out in your area in the not too distant future and we could have a talk about the aims of the second novitiate and what you hope yourself to gain from the experience over there. Certainly I think that the period before the second nov. should be, as much as possible, a time of reflection and prayer in which you clarify in your own mind what your needs are and how you hope the second novitiate will go some of the way in meeting them. I hope the rest of the term goes well for you, Rom. Will see you soon.

Yours fraternally in J.M.J.,

Brother Romuald,
DUNDAS.
