

17th May, 1977.

Dear Rom,

This is more in the nature of an official letter to invite you to the exercises of the Second Novitiate at Fribourg in the first half of next year. I am sure that you will derive great benefit from your stay at Fribourg as well as contribute very significantly to the group that will form there. You will be very fortunate in having such men as Brother Luke Driscoll and Brother Fergus on hand to direct you. Needless to say, the Province is delighted in being able to offer you this form of spiritual renewal at this stage of your life, Rom, after you have spent so many years in the generous service of the students and the monks. I shall be away in the Philippines and Papua New Guinea for the next three weeks but will be back about June 10th. You might like to drop me a line and let me know what your reaction is to the suggestion. I hope that you had a very happy holiday, Rom.

All the best for the rest of the year.

Yours fraternally in J.M.J.,

Brother Romuáld,
DUNDAS.
