Dear Sir,

I write regarding Atholl Cable, formerly Brother Romuald who has taught at a number of Marist Schools in NSW and Queensland. I have no detail or confirmation, but I have reason to believe that he may be accused of indecent conduct with minors during his time as a teacher and a Brother. My understanding is that it would be the 1960's or 1970's.

I am not aware of any other details, but I am taking the precaution of notifying you and would appreciate it if you would notify the Catholic Church Insurances.

Am I correct in my understanding that the insurance policy deadline which was to be June 30 has been extended to 30 July 1995?

Yours sincerely,

Alexis
