Dear Brother Michael,

Re : **BROTHER DOMINIC O'SULLIVAN**

We refer to the above matter and advise that we spoke to Brother Dominic before Christmas last year where he indicated to us that he would be overseas for the bulk of this year.

Our enquiries at the Juvenile Aid Bureau at Goodna prior to Christmas indicated it was unlikely that any proceedings would be bought in the near future.

We do not propose to chase up the Police ourselves at this point as we think that this would be counter-productive.

In the meantime, we enclose our interim Memorandum of Fees for your kind attention in due course.
