Dear Dom,

Greetings from Drummoyne.

This is a formal acknowledgement of your appointment as Principal of St Francis Xavier, Hamilton from the beginning of the 1997 school year. Congratulations on being invited by the Provincial Council to assume this role and my deep personal thanks for your generous acceptance of that invitation. The Council and myself are convinced that you possess the suitable qualities required by the Principal of such a complex institution as Hamilton.

From here on Mark Farrelly will do the running with the necessary practicalities such as informing the Maitland CEO, etc. From the time you receive this letter, feel free to contact Roger Burke at Hamilton. However, I would ask that you be quite discreet about all of this until the appropriate authorities have been informed by Mark Farrelly. I intend to announce new school Principals for 1997 in the next edition of the Newsletter which should appear in the second half of June.

You will be pleased to know that Peter Carroll has been appointed as your replacement at St Peter Claver's. From the time you receive this letter, feel free to contact Peter. Once again, however, I ask that you do this quite discreetly until the necessary communications have been made between Mark Farrelly and the Brisbane CEO. It would therefore be important to keep this appointment confidential, even among your staff for the time being.

Once again, Dom, congratulations and many thanks.

With every best wish.

Yours fraternally in JMJ

Michael Hill FMS
