Rev. Brother F.L. McLaughlin,  
Clontarf.

My dear Br. Laurian,

It has been reported to me that you have been kissing and embracing a boy in your room.

In the first place it is a very serious breach of rule to have a boy in your room.

Secondly it is very wrong and very stupid to embrace and kiss a boy.

I positively forbid you to have a boy in your room. I also wish to point out to you that unless there is a very big improvement in your conduct in these matters you will be found unworthy to continue a member of the Congregation.

with every good wish and blessing,

I am,

My dear Brother Alonso,  
Your aff. Br.,
