Dear Sir,

RE: Mr VZ Mr VY Trustees of the Christian Brothers & Ors.

We note that you act for the Trustees of the Christian Brothers.

We act for the abovenamed persons who are about to commence proceedings in the Victorian Supreme Court against your abovenamed client in respect of physical, sexual and psychological abuse sustained by them and physical and psychological injuries arising out of their times spent as students and/or orphans in the Western Australian institutions of Castledare, Clontarf and Tardun.

Because of the nature of these proceedings and because of the psychological trauma sustained by our clients, we have been instructed to seek orders prior to the commencement of the proceedings seeking suppression of the Plaintiff's identities.

We propose to make such application in the Practice Court of the Victorian Supreme Court at 10.30 a.m. on the 24 November, 1993.

We intend at that time to seek orders suppressing the identity of the Plaintiff in these proceedings, permitting proceedings to be issued under a pseudonym for each Plaintiff and prohibiting any media organisation from publishing information which may lead to the identity of either Plaintiff.

We are advising you of these matters in order to give your client the opportunity of being heard and represented in relation to this application.

We also give notice that we would not object to a like application being made by your client if it so chooses.

If your client does not object to the suppression orders sought by the Plaintiff, and it does not desire to appear, we would be grateful if you could let us have a letter of consent for the purpose of tender to Court.

Yours faithfully
SLATER & GORDON
