Dear Sir

RE: CLAIMS AGAINST THE CHRISTIAN BROTHERS

We act on behalf of the NSW Province of the Christian Brothers.

We have instructions to seek access to files in respect of actions filed against the Christian Brothers by Slater & Gordon Solicitors.

We are forwarding a copy of this letter to Slater & Gordon.

Requests made to date to Slater & Gordon for information in respect of the actions brought against the Brothers have not been properly responded to.

At this stage our client has not been served with any process but has suffered considerably as a result of the publicity associated with the commencement of these claims.

Our client seeks access to these materials in order to establish the nature and extent of the proceedings brought against it.

Yours faithfully
CARROLL & O'DEA
