Reverend Brother M. Boyle,
Superior.

My very dear Brother Bruno,

You are to be warmly congratulated on the report on the recent Visitation. In fact your six years at Clontarf have been very successful, D.G.

The Br. Consultor thinks that you have too many pictures at Clontarf. I want you to look into the matter and send me your views.

You may dispose of the two blocks of land at Scar'burgh. The rates are getting too high. A good agent should be able to get you a good price.

I have written to Brs Alonso and Laurian on matters arising out of the report. All Superiors have to keep their eyes wide open especially in the institutions.

We are grateful for the loan to Castledar*. It will help them considerably.

With every good wish and blessing and looking forward to seeing you in the near future,

I am,
My very dear Br. Bruno,
Your aff. Br.

This is the Annexure of marked "C" referred to in the Affidavit of Brother Patrick Doyle sworn the 6th day of December 1994 before me: *[Signature]*
