EVIL TRIUMPHS WHEN GOOD MEN DO NOTHING.....

SUFFER NOT THE LITTLE CHILDREN.....

Dear Rev. Brother Faulkner,

It appears with some Orders and parts of the Catholic Church that they are unable to appreciate that child abuse in any shape or form, be it sexual assault or molestation or so on is a crime, a crime against GOD, a crime against the LAW, and espécially a crime against INNOCENT CHILDREN.

As you know, we have been crying out in the wilderness for so long , that it is no longer funny. One would have thought that the first people who should have come to our aid, would have been the Christian Brothers. The very people God gave to look after us...

Had you, the Christian Brothers shown a little love, compassion, understanding the hurt, instead of victimization, condemnation and ridicule of the children involved from Boys Town. Bindoon and other places, this would not be the world news that it is today.

In other words, had you followed your Founder. Edmond Rice or followed the life and times of Mother Mary MacKillop, things would be different today. From day 1. I always knew God was on our side, or it was always Jesus who put the children first.

Brother Faulkner, Would it be possible to get a copy of all my records from the time I went to Boys Town. Bindoon till the time I left. Also, Is it possible to get a return air fare ticket to England so I can find my family. I would like to go over there as soon as possible befor the cold sets in. I find it very embarrassing to ask for the air fares, but I have been out of work for some time and the Media wanted to pay, but I thought it better to ask you first.

With thanks and regards,
Yours Sincerely In Christ....
