Dear

On behalf of the Christian Brothers I wish to apologise for the abuse and lack of education you suffered while under their care at Bindoon between 1954 and 1961.

You should have been treated with loving care and compassion yet suffered the exact opposite.

This apology is late in coming but I'm glad we met in Towards Healing and I was able to listen to your sad story and apologise.

Warmest regards and God Bless

*P. R. Negus*
