Dear ^{CIC}

Greetings for the New Year and I hope this letter finds you and ^{CIB}
in good health.

When I spoke with you at the end of 1997 you mentioned that you had not yet received my letter. I enclose with this letter a copy of my previous correspondence. I have been trying to contact you by phone over recent days but I seem to be having problems making the connection.

I would very much like to make contact with you so that we can follow through on our offer of respite care. If you would ring me on REDACTED REDAG or on my mobile REDACTED I would be most happy to speak with you.

I remain

Yours sincerely

Sister Jeanie Heininger
Counsellor
