REDACTED

Dear <sup>CIC</sup>

Thank you for your letter which I received on 6 March 1998. I appreciate how difficult it was for you to write it. I think the most helpful response is for me to take each one of your questions and to respond from the information I have at hand.

*Who notified the Commission?*

We were informed that a complaint had been made by a <sup>CIC</sup> to the Police 'Hot Line' which had been set up by the Wood Royal Commission.

*Who has records concerning my daughter?*

School records for the period in 1991 were forwarded to the police investigating officer by the School Principal.

*What was the outcome of the investigation?*

We were notified on 6 May 1997 that the policy enquiry in relation to the complaint made by <sup>CIC</sup> had been completed.

*How did you come to be involved?*

The Catholic Education Commission notified us on 12 March 1997.

*Why were you notified and not myself or her father?*

This question needs to be put to the Police.

Was <sup>CID</sup> involved in the investigation?

Not to our knowledge.

We are unable to discuss any inquiry undertaken by the Police Royal Commission with you as we are not privy to the details of their investigation. We were notified that:

- a an investigation was commencing
- b the investigation was concluded.

Following this, the sisters believed that some ongoing pastoral support may be required for yourself and <sup>CIB</sup> . It was to discuss this with you that prompted our meeting on 11 November 1998.

I do hope the above clarification has helped you. Be assured of our continued support for you and <sup>CIB</sup> .

I remain,  
Yours sincerely
