NOV. 28 1997 Discussed with Mary Conkey, Director of Santa Maria Centre, the possibility of CIB and her mother, CIB visiting Santa Maria with the view to considering a short holiday for CIB. If the mother feels comfortable with the atmosphere of the Centre and Mary feels they could support CIB, a date for a two-day stay will be set in December 1997 while Jacinta Walker is at Santa Maria. If this trial proves to be positive for all concerned a further date will be made in 1998.

NOV. 28, 1997 Phoned CIB and spoke to her about this proposal. She seemed to appreciate the possibility and agreed to phone Sister Mary Conkey and make a date to visit Santa Maria Centre. We both agreed that this could be a better alternative to Respite Facilities where parents cannot be sure who will be the support staff rostered on duty when their son/daughter receives care.
