

LUNCH DUTY
LIBRARY
FRIDAY 28.8.92
12.50 - 1.10PM

I was on duty in the library with Sister Marie. The students were doing puzzles, reading and dancing to tapes.

I spent most of the duty in front of the tape recorder, organising tapes etc.

Several students were dancing in front of me - REDACTED, REDACTED, CIO and REDACTED.

Several boys were playing roughly - REDACTED, REDACTED, REDACTED and REDACTED. They were requested to sit quietly in the corner for some of the time. At only one stage did I leave the area of the tape recorder to speak to CIB CIB who was trying to leave the library. She was asked to sit on a chair near the library's corner. This she did.

To the best of my knowledge, CIO did not leave the Library during my duty. She was still dancing when I returned from speaking to CIB
