

TALK WITH [REDACTED] 12.45PM  
1/9/92 IN MARY'S OFFICE

[REDACTED] made the following statements (though not necessarily his words) when asked did he want to tell me about something that happened last Friday.

1. [REDACTED] had lunch with [REDACTED]
2. CIO approached him to go to the P.E. Room
3. When in P.E. Room CIO took off her pants and lay on the floor.
4. [REDACTED] kissed her, he then lay on top of her
5. [REDACTED] touched her hair, breasts and 'private parts'.
6. [REDACTED] put his penis in her.
7. CIO was wet as [REDACTED] put it.

[REDACTED] said he said to CIO : do you want to go to class.....

I passed no judgement - I told [REDACTED] I would have to report this to Sue and Bruce. He asked why? I said as would be explained to him, this isn't the place, he is not at the age to be making such decisions.

He said he won't do it again.

I thanked him for being honest, told him not to talk to any student about this as Sue and Bruce would do this.
