BISHOP John Gerry  
The Catholic Centre  
143 Edward St  
BRISBANE 4000

Dear Bishop Gerry,

As you are aware I was involved in the TOWARDS HEALING process last year.

At my meeting with Dr. Adrian Farrelly on the 20 th April , a verbal guarantee of support for my counseling costs was given. Once again, correspondence received from your lawyers Thynne and Macartney dated 27 th October 1999, stated that an offer of "ongoing support under the TOWARDS HEALING program, which can take into account issues involving treatment expenses, will be made."

As no offer has been has been forthcoming, I submit the enclosed account for my counseling costs accrued since April '99. I request that payment be made in full to Lyn O'Donoghue, (Psychologist) as expediently as possible.

Yours faithfully,
