Re letter you faxed him yesterday. He spoke to you and gave you his comments on the letter. These are Mr Rolls' comments/suggestions:-

1. (Page 2) From the sentence beginning "The media, of course, does not make a distinction....." to the end of the paragraph should be excised.
2. (Page 2) The words "cricket umpires from Tasmania" should be excised from the second paragraph.
3. (Page 3) Is it really necessary to include the paragraph "The Church is in a "no win" situation"?

He will be "off the air" for a while but you can contact him after 3pm this afternoon on 32683040
