Dear Peter,

Please find enclosed a copy of the letter to DR. ADRIAN FARRELLY with information arising from the meeting on 20 th April at Centacare . (for your file)

The following information regards dates for visits to Psychiatrists between 1993 and 1996,as you requested :

20-10-93	"	
20-10-93	\$30-00	Blood test to determine drug levels –this amount is the gap paid)

25-2-94	"	"
5-5-94	"	"
21-7-94	"	"

Dr. Malcolm Foxcroft

23-2-96 \$14-00 paid (above the medicare rebate)

I have been seeing Lyn O'Donohue (psychologist) since the middle of 1994 when I ceased going to see Dr. Lawrence. Until more recently (about the end of 1997) this was paid for in full by Queensland Teacher's Health Society. Lyn is away at present but I estimate that I have paid for 5 sessions since then at a cost of \$90-00 per session. The rebate from the private health fund has been \$27-00 per visit.

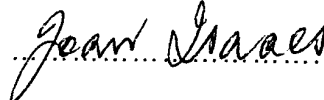

It was also recommended that as part of my treatment for depression I have regular therapeutic massages. These took place at the Corinda Natural Therapies Clinic on the following dates:

5-1-94, 7-1-94, 17-1-94, 11-4-94, 15-4-94, 21-4-94, 10-6-94, at a cost of \$28-00 a visit.

I cannot begin to estimate the amount spent on medication over the years.

Peter, please let me know if there is any further information you require.

Kind Regards,
