Dear Professor Dooley

**JENNIFER INGHAM – DOB 15 October 1962**

---

I confirm that Jennifer Ingham has agreed for you to provide a report for the purposes of her Towards Healing claim.

The matter in hand is highly sensitive and delicate.

Jennifer Ingham has alleged ongoing psychological injury arising from childhood incidents of sexual molestation of her by Fr Rex Brown (deceased).

Please find **enclosed** Jennifer Ingham's letter to the Queensland Professional Standards Office, dated 4 September 2012, her Towards Healing Contact Report, dated 18 October 2012, containing the relevant details and her authority for you to provide me with a report.

I would like to refer Jennifer Ingham for a full psychiatric and psychological evaluation of the enduring effects directly related to the alleged abuse. Please ascertain from Jennifer Ingham as much detail as is reasonably possible about the details of the alleged assaults. We would appreciate the following specific areas to be explored and reported upon:

- 1 Family History: family structure, relationships and dynamics.
- 2 Personal History: pre morbid functioning, academic achievements, social and peer relationships, developmental milestones, employment, alcohol/drug problematic use.
- 3 Sexual abuse: incident recall, frequency and age at time of event. i.e. reporting on the event and reactions of those reported to if incident reported.
- 4 Family psychiatric history
- 5 Current personal circumstances: social situation i.e. relationships and dynamics with nuclear/extended family and others, employment, alcohol/drug problematic use.
- 6 Current mental health: DSM IV diagnosis, clinical opinion regarding daily activities, mood level, social functioning, adaption/decompensation.

- 7 Separation of psychiatric effects not related to alleged abusive event: predisposition of pre-existing factors, events external to alleged abuse.
- 8 Overall percentage of difficulties related to alleged abuse.
- 9 Any future treatment that may be required including the cost of such treatment.
- 10 Future employment capacity
- 11 Material contribution: whether you consider that the alleged sexual assault by Fr Rex Brown has made a material contribution to the development of the psychiatric condition/s suffered by Jennifer Ingham.

In addressing these matters, please also note the **enclosed** Protocol identifying the National Committee for Professional Standards Report Points, which you should please address in your report.

Please address your invoice to the Professional Standards Office Queensland, GPO Box 3264 Brisbane QLD 4001, marked to the attention of Pat Mullins.

If we can be of further assistance in the meantime, please feel free to contact Pat Mullins on (07) 3229-3711.

Yours faithfully

**PAT MULLINS**
