REDACTED

Dear

Further to our telephone conversation last night, I write to confirm the fact that you have been appointed as Assistant Priest in the Parish of REDACTED. This appointment will take effect on Saturday March 31st. I realize that this is short notice, but the problem as you will appreciate lies with the fact that Easter is fast approaching. I hope that the date will not cause any undue inconvenience. I have made alternative arrangements for Cressy to cover your absence.

I trust that you will have an enjoyable and fruitful period in REDACTED. In the meantime, I look forward to catching up with you next week.

With every good wish,

Yours sincerely in Christ,

Bishop of Ballarat
